

BREAKFAST BRIEFING

MAKING SENSE OF IMMIGRATION COMPLIANCE 2007

Presented By:

Robert S. Groban, Jr.
National Chairperson of Immigration Law Group
New York, NY

Jang Hyuk Im
Corporate Immigration Attorney
San Francisco, CA

Enhanced Immigration enforcement is a major issue confronting all employers today. The complexity of the laws—coupled with increased identity theft and penalties for refusing to accept documents offered for Form I-9 verification—make the challenges facing human resources professionals truly daunting. In addition, some states are moving to enact immigration-related legislation designed to curtail the continued employment of undocumented workers because Congress failed to act on immigration reform in 2006. This seminar will help human resources and legal departments understand what to expect and how to prepare for the following immigration developments of 2007:

- ICE Raids and I-9 Audits.
- New State Immigration Enforcement Laws.
- Recent Developments in Immigration Reform.

A Q&A Session will follow the briefing.
