STEVEN DI FIORE is the Chief Operating Officer of Epstein Becker Green. He is based in the firm's New York office.

As the Chief Operating Officer, Mr. Di Fiore is responsible for the efficient operations and strategic direction of the Firm. He works closely with the Firm's Managing Director and Chairman of the Board of Directors. Mr. Di Fiore serves as an ex-officio member of Epstein Becker Green's Board of Directors, Compensation Committee, Finance Committee, Quality Assurance Committee, Strategic Planning Committee, and Technology Committee.

Prior to joining Epstein Becker Green, Mr. Di Fiore was the Chief Financial Officer and Chief Operating Officer of ePhysician, Inc., a start-up company that developed handheld point-of-care software for physicians. Prior to that, Mr. Di Fiore was the Senior Vice President of Operations & Finance for Sotheby's International Realty, where he worked with senior management to create and execute a strategic growth plan focusing on acquisitions, new office openings, office expansion, and new lines of business.

Mr. Di Fiore began his career at Deloitte & Touche, where he was responsible for the auditing and accounting services provided to several large, publicly held, multinational clients, including Sotheby's Holdings, Inc.; Marsh & McLennan; and Sumitomo Corporation of America.

Mr. Di Fiore is a Certified Public Accountant in the State of New York. He received a joint MBA/BBA degree, *summa cum laude*, from Pace University.

Education

- Pace University (M.B.A./B.B.A., 1988)
