

# EBG New York Briefing: Employees on Military Leave: Rights and Obligations Before, During and Upon Return from Leave

New York, New York  
April 18, 2007 | Events

Topic: Every employer wants to honor the rights of their "citizen soldier?" employees who are called up for military service. But faced with broad legal mandates, as well as uncertainty over the future military obligations of many serving and returning employees, doing "the right thing?" can often present a daunting challenge.
