

Ethics Point Webinar: American Recovery and Reinvestment Act (ARRA) - Whistleblower Claims Webinar

April 28, 2009 | Events

- Assess whether your organization is covered by ARRA.
- Evaluate the unique allegations that can come under the ARRA whistleblower disclosure provisions.
- Develop an appreciation of the numerous entities to which a whistleblower may make a protected disclosure.
- Evaluate the extreme challenges in managing an ARRA whistleblower who remains employed.
- Assess whether existing compliance and reporting policies, programs and mechanisms are sufficient given the unprecedented sweep of ARRA.
- Develop additional compliance program features to detect not only fraud but mismanagement and situations creating public danger or violations of regulations and to promote internal reporting.
- Develop a Rapid Response Plan for addressing any ARRA issues or actual ARRA whistleblower complaints.
