

Maryland Health Leaders Network: Leading Telehealth and Mobile Health Programs

June 2, 2015 | Events

René Quashie, Senior Counsel, will co-present “Leading Telehealth and Mobile Health Programs,” a one-day course offered by the Maryland Health Leaders Network, an initiative of the University of Maryland's Center for Health Information and Decision Systems (CHIDS) and Office of Executive Programs, in conjunction with the Maryland Health Tech Coalition and Tech Council of Maryland.
