

# Melamedia Audio Seminar Examines Effects Of New Family Medical Leave Act Regulation On Sharing Patient and Employee Health Information

Audio Seminar

December 18, 2008 | Events

Melamedia Audio Seminar: New Family Medical Leave Act Rules Present Healthcare Challenges for Sharing Patient Data ([www.melamedia.com](http://www.melamedia.com))

- What healthcare providers should require of employers requesting information to assure compliance with confidentiality laws;
- How healthcare providers can protect themselves from ADA and substance abuse rule violations when sharing information with employers;
- How FMLA requests for information relate to workers compensation law requests and where they may overlap;
- What information providers can share regarding employee relatives;  
And much more.

To register, go to [www.melamedia.com](http://www.melamedia.com)
