

# Memphis

6000 Poplar Avenue  
Suite 250  
Memphis, TN 38119  
T: 901-712-3200

Building on our Nashville presence, our Memphis office helps life science and health care providers manage the significant regulatory, reimbursement, privacy, and compliance issues generated by developments in Washington, DC. Whether clients are headquartered in Memphis, based elsewhere domestically or internationally, or investing in the local health care and information technology industries, we match our national experience with deep roots in the region. Memphis clients call on us for innovative legal solutions, strategic business advice, and effective litigation services.
